All Participants who attend the QPR Class will receive a Personal Certificate Question. Persuade. Refer. Three steps anyone can learn to help prevent suicide.

Abstract: QPR is a suicide intervention training proven to save lives and reduce suicidal behaviors. Participants completing the program will be considered trained “gatekeepers,” and will receive a certificate after the session. Gatekeepers can be anyone, but include parents, friends, neighbors, teachers, ministers, doctors, nurses, office supervisors, squad leaders, supervisors, police officers, advisors, caseworkers, firefighters, and many others strategically positioned to recognize and refer someone at risk of suicide.

QPR Training Objectives:

1. Participants will learn to recognize the warning signs of suicide.
2. Participants will learn how to offer hope to an individual struggling with thoughts of suicide.
3. Participants will learn the vital steps in getting help for the person struggling with suicide.
