

Ohio Teacher of the Year

Ohio has many outstanding Family and Consumer Sciences teachers! Do you know one of these outstanding teachers? It is now time to submit nominations for a teacher to represent Ohio in the AAFCS Teacher of the Year Award Program. FCS teachers will have the opportunity to be recognized for their continuing efforts to improve the lives of individuals and families through the teaching of Family and Consumer Sciences. We need to affirm the excellence that we have here in the Buckeye State!

The Ohio Teacher of the Year will be recognized for having designed and implemented an innovative and creative program. Any individual or organization may submit nominations. Members of the Ohio Association of Family and Consumer Sciences who are teachers of grades k-12 are eligible. AAFCS/OAFCS membership (Minimum of the three previous years) is a pre-requisite for nomination. The state winner will be recognized at both the OAFCS and AAFCS Annual Meetings. A one year membership to OAFCS and AAFCS will be awarded to the state winner. The Ohio award winner becomes a candidate for national "Teacher of the Year".

OAFCS members, this is your opportunity to pay tribute to a friend or co-worker. Consider nominating the teacher who has a great impact on Family and Consumer Sciences students. Nominations must be received **by January 31**. Applications from the nominees will be due by **February 27** and the teacher needs time to compile materials. Send your nominations today to:

Go to AAFCS for the Teacher of the Year applications information. <http://www.aafcs.org/Awards/>
